Short Description

Gel Heel Pads

Description

- The FootActive Gel Heel Pad is made from soft and flexible medical grade silicone and optimal polyurethane gel.
- This Gel Heel Pad provides fantastic support and comfort for the heel and ankle, reducing pain, fatigue and swelling. It is designed to help alleviate heel pain caused by heel spurs/bone spurs.
- This unisex comfortable Gel Heel Pad can be worn in most shoes including trainers, dress shoes and boots.
- Featuring self-adhesive pads which are removable when necessary.
