Petitgrain Essential Oil is derived from the bitter orange tree, which has a long history of use in traditional health practices. Historically, Petitgrain essential oil has been used for cleaning purposes. Petitgrain is widely used in the perfume industry, giving body sprays, fragrances, lotions, and colognes a fresh, herbaceous note that is popular among both women and men. Petitgrain Oil possesses an aroma that is sweet, yet tart with subtle floral and woody characteristics. It blends especially well with citrus, floral and wood oils. Petitgrain will boost feelings of joy and bravery when facing a challenge and help promote hope and calm.
