Price: £8.99

Short Description

Lindens Detox & Cleanse Capsules contain a specially formulated blend of cleansing botanicals including aloe vera and cranberry, fortified with dietary fibre and probiotic bacteria to support digestion and detoxification.

Description

- Colon-cleansing blend of botanicals
- Fortified with dietary fibre and probiotic “friendly” bacteria
- With Vitamin C supporting healthy metabolism

Lindens Detox and Cleanse capsules have been specially formulated for detoxification and bodily cleansing: a blend of cleansing botanicals fortified with dietary fibre, Vitamin C and probiotic ‘friendly’ bacteria that aid digestion.

Our blend of cleansing botanical extracts consists of Cranberry, Aloe Vera, Sea Buckthorn, Licorice, Rhubarb, Fennel, Anise and Gentian. Every one a popular supplement in its own right, with traditional and modern use for cleansing. Dietary fibre and probiotic bacteria are both important aids to digestion, assisting the breakdown of food and the proper excretion of non-nutritious material. Each capsule contains a massive 750 million viable lactobacillus acidophilus probiotic bacteria to aid in detoxification. Lindens Detox and Cleanse has additionally been fortified with Vitamin C, an antioxidant supporting healthy energy-yielding metabolism.

All of these ingredients are conveniently encapsulated in an easy swallow, rapid release capsule.

Calcium contributes to normal:

- blood clotting
- energy-yielding metabolism
- muscle function
- neurotransmission
- function of digestive enzymes
- bones and teeth
- regulation of cell division and differentiation

Vitamin C contributes to normal:

- immune system function during and after immense physical exercise,
- collagen formation for the normal function of blood vessels, bones, cartilage, gums, skin & teeth
- energy yielding metabolism
- nervous & immune system function
- psychological function
- protection of cells from oxidative stress
- reduction of tiredness and fatigue
- regeneration of the reduced form of Vitamin E
- increase iron absorption

Glucomannan contributes to:

- weight loss in the context of energy restricted diet
