

Devils Claw

Brand: Lindens
Product Code: L27
Availability: 10
Weight: 0.10kg

Price: £8.99

Short Description

A multi-botanical formula containing Devil's Claw, Cat's Claw, White Willow and Garlic, herbal ingredients traditionally used in many cultures for many centuries, neatly contained in an easy swallow tablet.

Description

- Specially formulated botanical formula
- A blend of whole herbs and concentrated, standardised extract
- Popular food supplements in their own right
- Neatly contained in one easy swallow tablet

A combination of extracts and broad-spectrum whole herb powders, each Lindens Devils Claw Formula Tablet contains 225mg Devil's Claw (*harpagophytum procumbens*) whole dried root powder, a concentrated extract of Cat's Claw (*uncaria tomentosa*) equivalent to 340mg dried bark, standardised to guarantee 1mg alkaloids and 5mg total polyphenols, 40mg of dried White Willow (*salix alba*) bark and 40mg of dried Garlic (*allium sativum*) clove

Native to South Africa, Devil's Claw gets its unusual name from the tiny hook-like spines that cover its fruit. It has large tuberous roots which are the part of the plant traditionally used. Cat's Claw, White Willow and Garlic are all popular traditionally used botanicals included in this special formulation to support Devil's Claw. These 4 special botanicals are neatly contained in one easy swallow tablet.

With Lindens®, you can expect:

- ? An established UK manufacturer based in Yorkshire
- ? ISO 9001 Certified for Quality Management Systems
- ? Dedication to excellence, innovation and satisfaction
- ? Resealable, light-proof, foil-fresh pouch packaging
